

## All About Me

Each morning a student will be selected to be the Student of the Day. This student will have his name and picture on our bulletin board. I would like to include some personal things about each child. Please help your child locate small pictures for some of the following topics:

- ❑ Picture of your family
- ❑ Picture of your favorite food
- ❑ Picture of your pet or favorite animal
- ❑ Picture of where you live
- ❑ Picture of something that is your favorite color
- ❑ Picture of your favorite thing to do
- ❑ Picture of your favorite place to go

These may be photos or pictures from magazines. Put the pictures in the bag and return on the first day of school. You never know when it will be your child's turn to be the Student of the Day!
